

**DETAILS OF EQUIPMENT AND INSTRUMENTS FOR VARIOUS SECTIONS OF COLLEGE**

**A) DISSECTION HALL**

| S. No. | Essential Instruments and Equipments                                                                                            | Number of Instruments and Equipments available |
|--------|---------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------|
| 1.     | i) Tank with a capacity to preserve 2 to 4 bodies                                                                               | Available                                      |
|        | ii) Preservative Chemicals                                                                                                      | Available                                      |
| 2.     | Dissection Tables Sets                                                                                                          | 25                                             |
| 3.     | Dissecting Table                                                                                                                |                                                |
|        | i) Full size with steel top or marble top stainless                                                                             | 6                                              |
|        | ii) Half size with steel top or marble top stainless                                                                            | 8                                              |
| 4.     | Miscellaneous                                                                                                                   |                                                |
|        | i) Bone cutter of the number $\frac{3}{4}$ , $\frac{1}{2}$ , $\frac{1}{4}$ , $\frac{1}{8}$ - fine pointed Chisel bone dissector | Available                                      |
|        | ii) Bucket and Mug                                                                                                              | Available                                      |
|        | iii) Gloves powder                                                                                                              | Available                                      |
|        | iv) Surgical gloves                                                                                                             | Available                                      |
|        | v) Surgical Blade                                                                                                               | Available                                      |
|        | vi) Soap                                                                                                                        | Available                                      |
|        | vii) Disposable syring - 20cc, 10cc, 5cc                                                                                        | Available                                      |
|        | viii) Towels                                                                                                                    | Available                                      |
|        | ix) Dustbin                                                                                                                     | Available                                      |
| 5.     | Furniture and other equipment                                                                                                   |                                                |
|        | i) Stools preferably of metal                                                                                                   | Available                                      |
|        | ii) Wash basin                                                                                                                  | Available                                      |
|        | iii) Machines for bones and brain sectioning                                                                                    | Available                                      |
|        | iv) Over Head Projector                                                                                                         | Available                                      |
|        | v) X-ray viewing box or panels                                                                                                  | 3                                              |
|        | vi) Glass jars of different sizes                                                                                               | Available                                      |

**B) PHYSIOLOGY (KRIYA SHARIR) LABORATORY**

| S. No. | Essential Instruments and Equipments | Number of Instruments and Equipments available |
|--------|--------------------------------------|------------------------------------------------|
| 1.     | Microscopes with oil immersion       | 30                                             |
| 2.     | Westergren's pipette for ESR         | 64                                             |
| 3.     | Haematocrit Tube                     | 62                                             |
| 4.     | Sahli's Haemoglobinometer            | 62                                             |
| 5.     | Haemocytometer                       | 60                                             |
| 6.     | Sphygmomanometer                     | 30                                             |
| 7.     | Stethoscope                          | 60                                             |
| 8.     | Clinical Thermometer                 | 60                                             |
| 9.     | Knee Hammer                          | 66                                             |
| 10.    | Tuning forks                         | 64                                             |
| 11.    | Electrocardiograph                   | 1                                              |
| 12.    | Stop watches                         | 60                                             |
| 13.    | Water Distillation still             | 1                                              |
| 14.    | Thermometers, Balances, Microslides  | 1                                              |
| 15.    | Cover slips, glassware               | Available                                      |
| 16.    | Centrifuge with speed control        | 3                                              |
| 17.    | Colorimeter (Photoelectric)          | 3                                              |
| 18.    | pH Meter (Electric)                  | 1                                              |
| 19.    | pH Comparator with disc in a batch   | 1                                              |
| 20.    | Refrigerator                         | 1                                              |
| 21.    | Newton's colour wheel in a batch     | 9                                              |
| 22.    | Spirometer                           | 5                                              |
| 23.    | Tonometer                            | Available                                      |
| 24.    | Hydrometer                           | Available                                      |
| 25.    | Viscometer                           | Available                                      |
| 26.    | Osmometer                            | Available                                      |
| 27.    | Sterilizer                           | Available                                      |
